MINUTES

Council of Academic Deans

August 31, 1983

Dr. Davis called the meeting to order at 9:00 a.m. Members present included Drs. Sandefur, Lloyd, Nelson, Gray, Chelf, Robinson, Hellstrom, and Petersen. Dr. Charles Anderson represented Dr. Hardin. Mr. Paul Bunch was a guest.

The minutes of the August 17 meeting were reviewed and approved as written.

Mr. Paul Bunch, Director of Public Safety, was asked to comment on the campus parking situation. He requested the deans' assistance in arranging for parking permits for official campus visitors in order to avoid the issuance of unnecessary tickets. Mr. Bunch complimented the deans on the cooperation that his office has received from the faculty.

Current 1983 Fall enrollment data were distributed for the information of the deans as well as data on graduates for the period 1970-1983.

The bequest of the Starr property in Barren County to Western and the Nature Conservancy was discussed. President Zacharias has requested responses from the academic affairs area of the university regarding how this property might be used for academic programs.

Dr. Davis distributed materials from the last Board of Regents meeting that had not been previously provided to the deans.

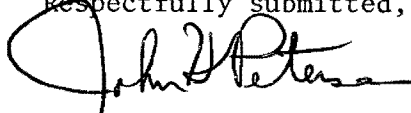

Dr. Lloyd reported that in a recent issue the Herald erroneously stated a salary level for the new head of the Department of Computer Science. He suggested that some appropriate means be found to correct this error.

Dr. Davis requested that each dean submit the name of a representative to serve on an ad hoc Committee to plan for the 1983 observation of Higher Education Week. The names should be submitted by August 31.

Problems associated with late registration by students enrolled in extended campus classes were discussed by Dr. Chelf and Dr. Gray. These enrollments are not always available in time for Council on Higher Education reports and there have been occasional tuition collection problems. Dr. Chelf agreed to look into the enforcement of a late registration fee for extended campus students.

The meeting was adjourned at 10:15 a.m.

Respectfully submitted,

John H. Petersen
